Dear Passaic Valley School Community,

It is amazing how quickly the first half of the year has gone. As we pause for winter break, I hope you find time to relax with your family and friends.

As 2022 comes to a close, here are just some of the things we have accomplished this past year:

- ★ Our “A-” school report card grade from Niche.com was the highest score we have ever received. We were ranked in the Top 5 for Best Schools in Passaic County!
- ★ Open campus lunch privileges continue to be well-received by our juniors and seniors. Many have reported that they feel refreshed and ready to learn when they return to campus after lunch.
- ★ Our fall athletic teams enjoyed playing on our new turf field and under the lights! The football games had a record number of fans with over 2,000 attending opening night.
- ★ We updated our course curricula and revised our program of studies to improve academic performance for all students.
- ★ We renovated our auditorium with new seating, carpeting, lighting and paint. A new sound system will be installed this spring.
- ★ We updated our website with a cleaner appearance and made it more user-friendly.
- ★ We are finally 1:1 with student Chromebooks!

It has been a very busy year and I am grateful for your support. I hope you and your family have a wonderful holiday season. May the new year bring you peace, prosperity and happiness as we continue our great work together.

Sincerely,
