COMMUNITIES

Comprising the communities of Little Falls, Totowa, and Woodland Park, the regional district, is served by Passaic Valley Regional High School. According to the 2010 census, the total population was 37,742 with nearly equal distribution in the three districts. The regional district lies just west of the city of Paterson and 15 miles from New York City. The three communities, while primarily residential, are not without industry, much of which is located in well-planned, attractive industrial parks. Many of these industries are national and internationally known. The citizenry is composed of professionals, technicians, skilled artisans and laborers. Some work locally while others commute daily to New York City and the surrounding communities.

SCHOOL

Passaic Valley is a four-year comprehensive public high school housing approximately 1000 students. Opening in 1940, the school has had a long and distinguished history as a New Jersey secondary school and is accredited by the New Jersey Department of Education. PV participates in partnerships with Fairleigh Dickinson University Middle College Program, Kean University, Montclair State University, Berkeley College, Bergen Community College and Passaic County Community College, whereby students earn college credit for selected courses. In 2019 a new partnership was also developed with William Paterson University to create opportunities for students to earn post-secondary certifications while in high school.

CLASS RANK AND GRADING

Class rank is based on a student's final grade point average at the end of each academic year grades 9-11. Class rank for seniors is calculated at the conclusion of the second marking period to determine valedictorian and salutatorian. Passaic Valley follows the National Association of Secondary School Principals' Guidelines for determining rank. For all courses not noted as Honors or AP, class rank will be determined by dividing the number of attempted credits completed into the total value of the grades, using A=4, B=3, C=2, D=1 and F=0. Grades of Pass/Fail or Audit are not included in the calculation of class rank.
