Dear Passaic Valley School Community,

I am writing to inform you of a security incident that occurred this morning at Passaic Valley High School. At approximately 7:55am an unknown male adult attempted to gain unauthorized access to our school. A lockdown was initiated and our armed security officers successfully prevented this person from entering the building.

The situation quickly escalated as the individual became belligerent and physically assaulted several school security personnel. Little Falls Police Department responded promptly to the scene and the suspect was apprehended without further incident.

I want to extend my sincere gratitude to our students and staff for their exemplary behavior during the lockdown. A special thank you to our security officers for ensuring the safety of our students and staff. If you have any questions or concerns, please do not hesitate to contact me.

Thank you for your continued support and cooperation.

Educationally yours,
