Dear Passaic Valley School Community,

It has come to our attention that there are TikTok videos and other social media posts circulating on the internet that reference a nationwide school shooting "warning" for tomorrow, December 17.

There are no specific threats to PVRHS or any other schools in our area. However, we are working closely with our school security team and local law enforcement agencies to ensure that our students and staff remain safe.

Should you have any questions or concerns please do not hesitate to reach out to me. Thank you for your cooperation and continued support.

Sincerely,

A handwritten signature in blue ink that reads "Br Healy". The signature is written in a cursive, flowing style.

Bracken Healy
Superintendent
