June 1, 2023

Dear Senior Parents and Guardians,

Many of you may still recall your child's first day of freshman year. It is amazing how quickly the time goes, but their graduation day is here. I am confident that each and every graduating senior is ready and prepared to meet the challenges of post-secondary life. It has been an honor and privilege to serve as your Superintendent.

Our commencement ceremony will take place on Thursday, June 22 at 6:00pm on Walton Field. Please remind your child to review the "Senior Bulletin" which has all the information they need for graduation. Each family will receive four (4) tickets for field level seating. There are no tickets needed for the bleachers. Families will also receive four (4) indoor tickets which will be used in the event of inclement weather.

The stage will be assembled towards the end zone closest to the scoreboard and both sides of the bleachers will be made available for seating. The senior class will sit in front of the stage and there will be one line during the awarding of diplomas. When receiving their diploma, students will line up on the visitor's bleacher side, walk across the stage, and down the steps to the home bleacher side.

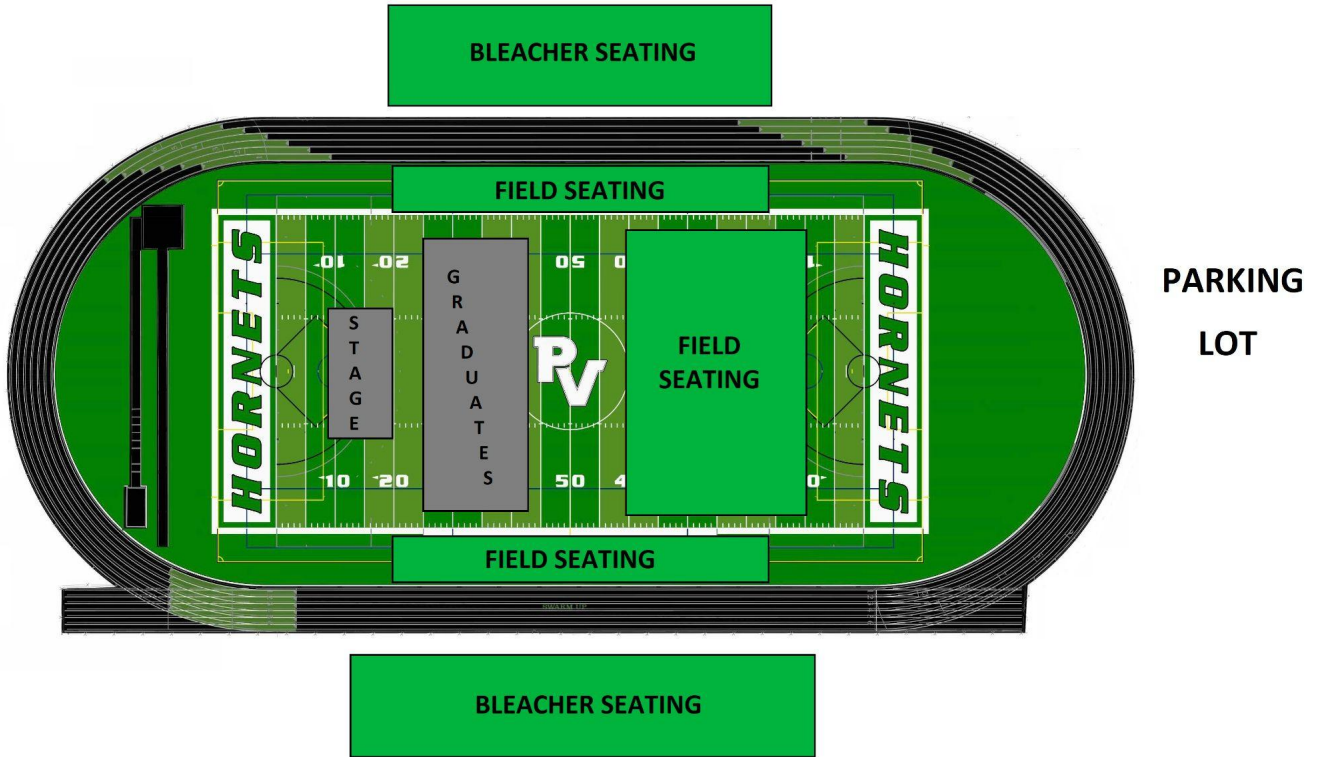

At the conclusion of the ceremony, family members and friends will be invited onto the turf field for pictures. Please do not stress about taking the "perfect picture" while your child is walking the stage. You are meant to enjoy this moment. We have a professional photography company on site to take pictures of your child. The event is also being digitally recorded and will be shared for future viewings.

Congratulations, and I look forward to seeing you on June 22.

Educationally yours,

A handwritten signature in blue ink that reads "Br Healy". The signature is written in a cursive, flowing style.
