VIII. Student Representatives Report

Student Representatives reported that the holiday parade had a lot of students represented and it was fun and enjoyable. The National Honor Society students took part by collecting gifts.

Spirit week was held before the winter break. The hidden elf idea was a big hit, enjoyed by both the students and teachers.

Students like the mid-term schedule allowing them to leave early and only taking 2 exams per day. The schedule also gives them time to relax and time to study for their next exam.

The students are super excited about Girls’ Show. It is a night for them to show their school spirit.

The National Honor Society thanked Dr. Healy, and all involved with their Induction Ceremony.

More students are becoming involved in clubs and leadership positions. The block schedule makes it easier for all to meet during common lunch and the students still have time to eat.

Winter sports are still going on and doing well, and Spring sports are starting in March.

The hall upgrades are nice and make the school look more like a college campus.

Student Senate is having their annual carnation sale which always does well.

Drama Club is hosting the Passaic Valley HasTalent show.
